The lady guests at Sweet Springs give a grand ball this evening in aid of the Southern yellow fever sufferers.

COL. THOS. L. ANDERSON is announced as an independent Greenback candidate for congress in the 12th district.

Just think of it, two and one-half millions of dollars subscribed to the 4 per cent loan in one day, the 26th day of August, 1878.

The First National bank, Quincy, Ill., failed last Monday. Liabilities, \$500,000. The bank was robbed of \$100,000 a few years ago.

The Democrats of New York meet in state convention at Syracuse, September 25th, with three hundred and eighty-four delegates.

CHARITON COUNTY, 13 votes for Musser! was the music made by the Chariton delegation, for 254 ballots at the Chillicothe convention.

The association for the advancement of science has just closed a very interesting session in St. Louis, many prominent gentlemen being present.

The LaPlata Press and Knox Democrat demand a new deal in the congressional business in the 12th district. Submit the matter to a primary.

SAMUEL DAVIS, of Saline county, has been nominated for re-election to the legislature. We believe he is the author of the famous "Rat" bill.

ABOUT 23,000 claims have been filed under the act of congress of March 9, 1878, granting pensions to soldiers and widows of soldiers who served 14 days in the war of 1812.

In the stomach of a large fish recently caught in the river near Fort Washington, Ohio, was found the watch and chain lost by a man wading the river over two years ago.

SENATOR VOORHEES, of Indiana, Hon. J. C. Blackburn, of Kentucky, Senator Cockrell, and other prominent gentlemen, will speak at the Sedalia barbeque to-day, and attend the grand ball at Sweet Springs to-night.

THE yellow fever is spreading in the South. A few cases have been reported in Cincinnati, Louisville, and New York. It seems that none of the Southern cities will escape the dread full scourge.

THE President, Mrs. Hayes and family, left Washington yesterday morning for Fremont, Ohio, on their way to St. Paul, Fargo, Bismark, Minneapolis and then return to Washington on Wednesday.

TREASURER WESTON, of Kansas City, has \$70,000 of the city's funds locked up (or lost) in the Martin bank. It seems that the defunct institution served Democrats and Republicans alike. It swindled both.

CARTER, of the Sturgeon Leader, is issuing a daily this week during the fair there. It is a spicy little five column quarto, and a credit to the town, and the editor. Sturgeon should be proud of its newspaper establishment.

THE Bethany Broad-Are, in notice of the death of Mr. Henry Paine, which occurred the 18th inst., near that place, says "he was a pensioner of the war of 1812, was among the oldest men in the county, he being about 90 years old."

FOUR candidates for congress already announced in the 12th district, and the Republicans yet to hear from. Cols. Hatch and Glover both claim to be the Democratic nominee, Capt. Jno. M. London is the nominee of the National party, and Col. Thos. L. Anderson is an independent greenback candidate.

JUDGE SAMUEL L. SAWYER, in a long letter published in the Kansas City Times, announces himself as an independent candidate for congress against Col. Jno. T. Crisp, the Democratic nominee in the 8th district. He consents to be a candidate, he says, at the solicitation of many Democrats and Republicans.

THAT "gilt edged delegation" from Randolph, taboed the Chillicothe convention into terms, and walked off with the baggage, much to the chagrin of the man up in the forks of Grand river, who was set for Charlie Mansur. The next thing in order, gentlemen, is to do your fatigue dress, for indeed much yet remains to be done in order to secure the coveted prize.

THE ST. L. K. C. & N. Railroad company have purchased the Missouri river bridge at St. Charles, the price being \$388,500, subject to a first mortgage given by the bridge company to secure the payment of 1,000 bonds of \$1,000 each, dated October 1, 1868. The railroad company have heretofore been paying the sum of \$78,000 per annum for the use of this structure.

A SALT LAKE CITY correspondent has refused antislavery papers to one of the wives of a Mormon, holding that inasmuch as she was living in polygamy she was not of good moral character. The Evening News, a Mormon church organ, advises the polygamists wives, hereafter, in any matter in which the law of the land is concerned, to call themselves by their maiden names, and in any court to take the position of unmarried women.

THAT most valuable paper, the Paris Mercury, came to our table this week brim full of the latest general and local news, as usual. It only makes us occasional visits, however, we having received it about three times in the past three months. It is one of the best papers in the state, and has the largest circulation of any weekly in North-east Missouri, and we guess the demand on its weekly edition is so large that it cannot afford a regular exchange.

WE acknowledge the receipt of a complimentary ticket to the Kansas City Industrial Exposition and Agricultural fair, which commences Monday, September 16, and continues six days. The association have issued their premium catalogue, containing some handsome purses, amounting in all to \$20,000. The celebrated horse Rarus, the horse that is attracting general attention now as the fastest horse in the world, will trot three heats against time the 4th day of the exposition.

THE heart-rending accounts of the suffering of the fever stricken South continue to come through every mail. In New Orleans and Grenada there is no abatement, while in Memphis the scourge is on the increase. The death rate is fearful, and reports say that the suffering and distress cannot be told. In many instances people are destitute. Appeals have been made to the North for assistance, and we are proud to see the generous spirit with which thousands of dollars have been sent from all quarters. Almost every town in the state is doing something in the good work, and we would be glad to see our citizens here lend a helping hand.

JUDGE WHITTAKER, of Bucklin, was very anxious to deliver an address on Darwinism to the delegates and attendants generally at the Chillicothe convention. It was a fine occasion for such an address, and Whit, was fully persuaded that he had found the missing link. But for the stubborn resistance of those two stalwart delegates from Linn, the fun loving portion of that large assemblage would have been treated to one of the finest dissertations on the subject of the origin of man that has yet been given in the public. No wonder Whit was disgusted with the turn of affair there. It was not the politics of the occasion which so much concerned him, it was the chance for a valuable contribution to history lost that troubled him.

MR. J. H. PARSONS, agent St. Louis Times, was in town yesterday, and paid us a pleasant call. Mr. P. is a courteous gentleman, and the representative of a good paper.

GIDEON FRANKLIN ROTHWELL. The above named gentleman, who was nominated at Chillicothe as the Democrat candidate for congress in this district, is a native of Callaway county, but now a resident of Moberly; he graduated at the State University in 1857, and has been a leading member of the legal profession of Randolph county for the past twelve or fifteen years, and is now about forty years of age. Mr. Rothwell is a fluent and able public speaker, and his views on the financial question are in perfect accord with the principles of the Democratic party as enunciated by the platform recently adopted at Jefferson City. His nomination meets with a hearty approval by the Democracy of Chariton county, and when he has made a canvass of the district the people will be more than proud of their choice.

MADE GREENBACKS. Some Republicans claim that their party is the true greenback party because they made greenbacks.

By similar reasoning we might say because they made National Banks they are the National Bank party.

Because they passed laws imposing high protective tariffs, they are the High Tariff party.

Because they made laws authorizing the issue and sale of bonds they are the Bondholders' party.

Because they gave millions of acres of land and millions of money to railroad companies they are the Railroad party.

Because they swindled the government out of its lands on railroads for advancements through the Credit Mobilier, theirs is the Credit Mobilier party.

We think the people should have but little to do with this National Bank, Bondholders' High Tariff, Railroad Credit Mobilier Fraudulent party.—Bethany Broad-Are.

MR. G. F. ROTHWELL, our candidate for congress, attended a meeting of the Democratic State Central committee at St. Louis recently, and while there a Times reporter took advantage of the occasion to ask him a few questions, from which we clip the following:

"Mr. Rothwell, what are your views on the money question?"
"I am in full accordance with the Democratic platform as adopted by the last state convention. I favor the abolition of the national banks and substituting for their circulation legal tender notes. I also favor the payment of all the bonds which by the terms of the original contract can be paid in greenbacks. I want to see enough greenbacks in circulation to do the business of the country."

"What is your idea about the labor question?"
"That is a very different question to deal with. Restore confidence, and my opinion is every man in the land can get work if he wants it."

"How do you stand on the Texas and Pacific railroad project?"
"Properly guarded, I am for it."

"How do you stand on improving the Mississippi river?"
"I shall favor a liberal appropriation for the improvement of all the western waters."

"Do you think you will be elected?"
"Oh, yes; by a handsome majority."

"Will the third party movement hurt you?"
"No, sir; not at all."

PERSON ABOVE PARTY.
[From the Gallatin Democrat.]

"Congressional contests in this state so far reflect no credit upon Democracy. For the most part they have been bitter personal fights wherein Democracy has been made a party to the interests of Col. or Major, or the Honorable and so on. This personal squabble has resulted in a disgraceful split in the 12th district, which renders the chance of a Republican success there very good. The split occurred over the vote of Marion county. That county, at regular convention, appointed delegates in favor of Col. Hatch, whereupon Glover's friends seceded and also appointed delegates. At the congressional convention Glover's friends secured the organization and excluded the Hatch delegates, whereupon the convention split and both Hatch and Glover were nominated by their respective factions. Were we publishing a paper in that district neither Glover nor Hatch should receive its countenance. The party should always be above persons. No Democrat has an exclusive right to demand the support of his party. The success of correct principles is above all men, and whenever ambitious office-seekers manage to get up such rows as this they should be at once cast aside and some new men—some men with more devotion to principle—should be selected. If the congressional committee of the 12th district has a proper appreciation of the situation, they should at once declare no nomination and proceed to call a new convention."

The above expresses our views so fully that we give it space in our columns, and we only wish to add that until the disgraceful scramble for office that has been carried on in this county is discontinued by honest people—the masses—we can expect nothing but humiliating defeat, and justly so. More for principles and less for men.

CHILICOTHE CONVENTION. The convention which assembled at Chillicothe on the 21st inst., for the purpose of nominating a Democratic candidate for the 10th Congressional District, was called to order by A. M. Dockery, the chairman of the 10th Congressional Committee; after which T. E. Browner, the Secretary of said committee, reported the following list of officers for the temporary organization of the convention, viz: H. S. Priest, of Randolph county, chairman, F. A. Dinmore, of Grundy county, and J. A. Hudson, of Chariton county, secretaries; John A. Nolan, Sergeant-at-arms and J. S. Myers, assistant.

On Motion of D. H. Davis, of Davies county, a committee on credentials was appointed, consisting of one from each county, except the county of Mercer, which on account of a double delegation from said county being present

and contending for recognition, was excluded until a permanent organization was effected.

The following named gentlemen were selected, to-wit: D. H. Davis for Davies county; Gen. E. W. Price, for Chariton county; E. M. Harber, for Grundy county; John Taggart, for Harrison county; W. H. Brownlee, for Linn county; Dr. W. T. Dameron, for Randolph county; R. W. Reynolds, for Livingston county; Dr. Wm. Shearer, for Sullivan county; after which on motion the convention adjourned until one o'clock p. m.

In the afternoon the convention was called to order, and the committee on credentials, through their chairman, presented a majority and a minority report, the latter being signed by Gen. E. W. Price, W. H. Brownlee and Dr. W. T. Dameron, which, for the sake of peace and harmony, reported in favor of a compromise, whereby both were recommended for admission as delegates from Mercer county, each set of delegates being allowed to cast one-half of the vote of the county.

The majority report claimed that the four delegates for Mansur were alone entitled to admission to the convention, and was signed by the committeemen from the five other counties.

The following is a copy of the reports, viz: "We, the majority of your committee on credentials, find two delegations from Mercer county claiming admission as delegates from that county. Your committee has taken the testimony of two witnesses—one on the part of each delegation—and after weighing the evidence, decide that the following named gentlemen are the properly and regularly elected delegates, to-wit: High Young, Abram Cox, John Elberhart, Joseph Shook, and recommend that they be received as delegates to the convention."

E. M. HARBER, R. W. REYNOLDS, D. H. DAVIS, W. W. SHEARER, JOHN TAGGART.

"We, the undersigned of the committee on credentials, would make special report as to Mercer county. That we find two delegations from said county, both representing democrats of said county, and for the purposes of harmony, and as subserving the best interests of the party, we recommend that both delegations be admitted with a half vote each."

W. H. BROWNLEE, E. W. PRICE, W. T. DAMERON.

The minority report was adopted by the convention after a spirited discussion, by a vote of 34 to 32.

Then on motion of A. W. Myers of Linn, a committee of one from each county on permanent organization and order of business was appointed by the chairman, each county furnishing the name of its committeeman. And also a committee of one from each county on resolutions was appointed by the chairman in like manner. After which on motion the convention adjourned until 7 o'clock p. m.

At 7 o'clock p. m., the convention was called to order again, when the committee on permanent organization reported James D. Werden, of Randolph county, as permanent chairman, and O. F. Smith, of Chariton, and J. H. Hill, of Linn, secretaries. John Nolan, Sergeant-at-arms, and Scott Meyers and M. H. Butler, all of Livingston, his assistants. The committee on resolutions then reported the following, which were adopted unanimously, to-wit:

1st. We pledge the people that our party will never lower its banner nor take a step backward, until the prosperity of the whole people shall be held to be the supreme law of political administration.

2d. As Democrats, we point with pride to the fact that since the accession of our party to power in the state and federal governments, it has not created a dollar of debt.

3d. That we again demand the earnest efforts of our Representatives in Congress to use all honorable means for a repeal of the odious law in regard to dealers in leaf tobacco, believing it oppressive to the great tobacco growing interest of our state, an incubus upon a vital industrial interest of a large agricultural class of the country.

4th. That we cordially approve and endorse the course pursued in Congress by our late member, the Hon. R. A. DeBolt. We appreciate his services and efforts in Congress, and recognize in him a valuable and efficient public servant.

5th. That we heartily endorse and approve the platform of principles adopted by our Democratic State Convention, held at Jefferson City, July 10, 1878, and we reaffirm and adopt the same as the platform of this convention. CHAS. L. DOBSON, D. H. DAVIS, Sec. Chairman.

The convention then proceeded to elect a congressional committee for the 10th district, for the ensuing two years, viz: Chariton, John Knappenburger; Davies, A. M. Dockery; Grundy, Joseph McMillen; Harrison, Theo. Newborn; Linn, T. E. Browner; Livingston, W. McIlwraith; Mercer, J. W. Lindsey; Randolph, U. S. Hall; Sullivan, Dr. J. E. Nelson.

The convention then being duly organized for business, proceeded to the nomination of candidates. The call of counties in alphabetical order was made, when H. H. Davis, of Chariton county arose and in a brief, pointed speech put in nomination Col. R. H. Musser, of Chariton county. He was followed by C. L. Dobson, of Linn county, who nominated Judge G. D. Burgess, of Linn county, Mo. M. L. Smith presented the name of Col. C. H. Mansur, of Chillicothe, Mo. John R. Christian, of Huntville, presented the name of G. F. Rothwell, of Moberly, Mo. H. S. Priest presented the name of Judge G. H. Burkhart. The nomination of Col. Mansur was seconded by

D. H. Davis, and the nomination of G. D. Burgess was seconded by Col. A. W. Meyers, of Brookfield, Mo.

Nominations then closed and balloting commenced with an informal ballot which gave:

County	Musser	Burgess	Burkhart	Rothwell
Chariton	10	1	2	1
Davies	7	2	1	1
Grundy	4	1	1	1
Harrison	8	1	1	1
Linn	8	1	1	1
Livingston	2	2	1	1
Mercer	2	2	1	1
Randolph	8	1	1	1
Sullivan	6	1	1	1

County	Musser	Burgess	Burkhart	Rothwell
Chariton	13	1	1	1
Davies	7	1	1	1
Grundy	4	1	1	1
Harrison	6	1	1	1
Linn	8	1	1	1
Livingston	2	2	1	1
Mercer	2	2	1	1
Randolph	8	1	1	1
Sullivan	6	1	1	1

The ballot continued to the 13th ballot without change when Sullivan county voted for Burkhart. The fourth ballot Mansur received 33 and the balance scattering.

After which the convention adjourned until 8 o'clock Thursday morning.

On Thursday morning the convention met pursuant to adjournment and resumed balloting without any material change until noon.

At 1 o'clock p. m., the convention resumed balloting and continued until about 4 p. m., at which time it adjourned to 8 o'clock p. m., when balloting was resumed as before. On the 19th ballot Chariton county cast 13 votes for J. C. Crawley, Linn county followed promptly with 8 votes solid for Crawley, Grundy county with 2 votes for Crawley, and Mercer county with 2 votes for Crawley, at which time it seemed that Crawley was about to bear off the prize, as it was then within the power of Randolph county to place the nomination on Mr. Crawley, but when Randolph was called she voted 14 votes for Burkhart. After which the roll of counties was called and balloting continued until about 11 o'clock without making a choice.

The convention then adjourned until 8 o'clock Friday morning, when the convention was again called to order and on the first ballot it being the 25th ballot G. F. Rothwell was nominated by the following vote:

County	Musser	Burgess	Burkhart	Rothwell
Chariton	10	1	2	1
Davies	7	1	1	1
Grundy	4	1	1	1
Harrison	6	1	1	1
Linn	8	1	1	1
Livingston	2	2	1	1
Mercer	2	2	1	1
Randolph	8	1	1	1
Sullivan	6	1	1	1

The result was announced amidst the wildest enthusiasm. A committee of three were appointed to inform Mr. Rothwell of the result. In a short time the committee returned, and Mr. A. M. Dockery, of Davies, their chairman, introduced Mr. Rothwell to the convention, who responded to the applause with which his announcement was received, in a brief and eloquent speech of acceptance.

Col. Mansur was then called for and responded in one of the ablest and most patriotic efforts of his life, bearing his defeat in a heroic manner and urged his friends whose disappointment he knew was so keenly felt, to go home and do their whole duty in support of the nominee, for the cause of Democracy and their country.

Judges Burkhart, Burgess, DeBolt and Richardson were then called for, and responded in short and appropriate speeches, congratulating the convention on the happy termination of their labors, and urging them to return to their homes with a full determination to elect Mr. Rothwell by an overwhelming majority.
